

Kohl's Gift Certificates

Not to be confused with the regular gift certificate program - I introduce the Kohl's Cares For Kids Gift card program. They are very similar but for this we order directly from Kohl's and we order in bulk. We must order at least \$1000 (not per person). You pay face value, we make 5%. These gift cards are different from the regular gift cards you can buy at Kohl's in that **you CAN pay off your charge with them**. The following denominations are available: \$10, \$25, \$50, and \$100. If there is enough demand we will order again before December but I make no guarantees. So stock up now for holiday shopping and gift giving. Please return the following order form with your payment by Tuesday, September 27. Checks made payable to St. William of York PTO.

Kohl's Gift Cards Order Form

Name _____ Phone _____

Email _____

Denominations	Number ordered	Total \$
