2007 Panthers --- Rules of the Road

1. Dignity & Respect – *treat each other as you would like to be treated; your behavior towards other players, coaches, umpires & parents should be dictated by this.*
2. Attitude – *A positive attitude is the key to success as a player and in life; all we ask is that you give it your best & hustle.*
3. Example – *Set a good example for others to emulate; don't embarrass yourself or the team.*
4. Umpires – *Umpires are off-limits to everyone but the manager (& I do NOT intend to argue judgment calls – if it's a rules issue & it warrants discussion, I'll handle it).*
5. Attendance – *If you cannot make a practice/game; please let us know*
 - *Please arrive 30 minutes prior to game time*
 - *Please arrive 15 minutes prior to practice time (if at all possible)*
6. Force Protection – *EVERY player will wear an athletic supporter (cup) at all times while on the playing field... both for practice & games!*
7. Hydration – *Please bring water or sports drink to every practice/game; hydration is critical to avoiding injuries.*
8. Snack – *We are NOT doing team snacks; if you bring food please save it for after the practice/game.*
9. Concerns – *(Mainly for parents) Please let us know if you have any issues regarding the team... but remember that we are unpaid volunteers, and we are doing our best. If you would like to assist, just let us know – we welcome the help!*
10. Fun(damentals) – *Above all else, have FUN; and we'll try to learn a little bit about baseball along the way!*
